Our most treasured possession in life is time.  
Mora (Latin) means to take pause  
or to linger. To make time to enjoy the essence of life and live  
in the moment.

It's a mantra that allows us the freedom to look at things  
differently. To think with all our senses and to walk the  
roads less travelled. Observing Central Otago anew.

It is our hope that your dining experience will create  
memories of a time well spent.
