Our most treasured possession in life is time.  
Mora (Latin) means to take pause  
or to linger. To make time to enjoy the essence of  
life and live in the moment.

It's a mantra that allows us the freedom to look  
at things differently. To think with all our senses  
and to walk the roads less travelled. Observing  
Central Otago anew.

It is our hope that your dining experience will  
create memories of a time well spent.
