Vintage Notes

Overall, a warm and settled growing season, with little to no high winds, no major frost events and very good soil moisture leading into late 2021. Weekly rain events throughout November took the vines into premium conditions for canopy growth. Flowering conditions were perfect, with warm dry weather over this crucial period. In turn, the fruit was very even in ripeness within the bunches. Autumn was settled and warm, and harvest was very busy and fast-paced. A stellar vintage with very high quality fruit and fantastic crop loads, which were easily ripened by our lush, large canopies.

Winemakers Notes

Lime blossom and ginger notes on the nose. Intense citrus fruit on the palate with fresh lychee and grapefruit pith with a lovely line of acidity perfectly balanced with the residual sugar.

“Our Mora 2022 Dry Riesling is selected from a single block called Maia in our Felton Terraces vineyard. The vines from this block are well established, having been planted in 2001. The settled and warm 2022 growing season gave us beautiful fine florals and mineral notes, and some enjoyable tension between the bright acidity and slight hint of residual sugar.”

Technical Notes

Composition: 100% Riesling

Vineyard Aspect: North/Northwest sloping

Row Orientation: East-West

Soil: Weakly structured light alluvial soils overlaying schist rock
