

Riesling

2022 | BANNOCKBURN

mora

Bright
Mandarin
Silken

Vintage Notes

Overall, a warm and settled growing season, with little to no high winds, no major frost events and very good soil moisture leading into late 2021. Weekly rain events throughout November took the vines into premium conditions for canopy growth. Flowering conditions were perfect, with warm dry weather over this crucial period. In turn, the fruit was very even in ripeness within the bunches. Autumn was settled and warm, and harvest was very busy and fast-paced. A stellar vintage with very high quality fruit and fantastic crop loads, which were easily ripened by our lush, large canopies.

Winemakers Notes

Blossom, white peach and mandarin on the nose. Lemon curd with meringue-like texture. Bright red apple acidity. Perfectly balanced.

“Our 2022 Mora Riesling originates from our Redback Ridge block at our Cairnmuir Road vineyard. These 22-year-old vines have dug deep through the alluvial soils and schist rock, and bring a fleshy fruit character to the wine. The lively acidity is beautifully balanced with the sweetness, making this a gorgeous lunchtime drop.”

Technical Notes

Composition: 100% Riesling

Vineyard Aspect: Northwest-facing terrace

Row Orientation: North-South

Soil: Weakly structured light alluvial soils overlaying schist rock

Vinification

Cool morning pick, whole bunch pressed to stainless steel. Cold settled for 48 hours, then racked cleanly to tank. Fermented slowly to build texture, the ferment was stopped at great balance of sugar and acidity. Left to age for a few months on lees before being racked, stabilised and bottled.

Vineyard/s	Harvest Date	Bottling Date	Qty Bottled	Alc	TA	pH	Residual Sugar
