

RUA

Pinot Noir

2023 | CENTRAL OTAGO

Vintage Notes

Shoot growth was slow to start due to a colder than usual spring season with many frosty nights, creating a prolonged flowering period. This was followed by a hot, dry summer over a 6 - 7 week period, so in turn the berries within the bunch caught up to create even ripeness within the bunches. Autumn brought some rain; however, our canopies were open to sunlight and airflow, and the fruit quality was excellent.

Vinification

After harvesting, the fruit was processed into stainless steel fermenters and inoculated with a range of Pinot Noir yeasts. After remaining on skins for 23 - 32 days, it was gently pressed off.

Approximately 15% of new oak influence in the wine. This provides fine integrated tannins and fruit structure.

Tasting Notes

The 2023 RUA Pinot Noir has a rich and generous palate, with black cherry, raspberry and plum notes supported by vanilla and classic Central Otago dried herbs. A subtle spiciness adds to the complexity. The silky tannins are well integrated in this fresh and vibrant Central Otago Pinot Noir. This wine drinks beautifully now and for the next 5+ years.
